How to create a Social27 Roundtable
Step 1

From any page from within the platform, click the Roundtables icon on the navigation bar

A full day of sessions and networking with business leaders, industry experts and AI practitioners. A conversation on how to ignite adoption of artificial intelligence and machine learning technology across the enterprise.

A real world use-case oriented approach, the goal is to deliver insights and recommendations that you can act on today, provided by those working on the frontlines of AI in the enterprise.

We will deliver a universal framework which will focus on horizontal solutions plus industry specific use cases.

Step 2
Click the Create Roundtable button
Step 3

Click the Connect Account button to link your own personal or business Microsoft Teams or Zoom account. Once connected, your Roundtable will be hosted in the platform of your choice, with the full functionalities that Teams and Zoom provides. If you don’t have a personal or business Microsoft Teams or Zoom account, you can select Social27 MeetUp to start a Roundtable right from within Social27 Virtual Events Platform.
Step 4

Fill out the form with the following information: topic, start date, start time, duration, tags, and choose ‘Yes’ to create a public Roundtable, or choose ‘No’ to create a private, invite-only Roundtable. At least one invited attendee is required to create a Roundtable. Once you’re ready to create a Roundtable, click the Create Roundtable button.
Once your Roundtable is created, it will show up under My Roundtables. Other attendees will be able to see the Roundtable on the Roundtables page only when you have designated your Roundtable as public.

Step 5
Confirmation email

Once your Roundtable is scheduled, you’ll receive a confirmation email. This will be sent to the email you used when registering for the event. Anyone who has been invited will also receive a confirmation email and a notification from within the platform notifying them that they have been invited to join a Roundtable.
To edit, launch, or delete a Roundtable, click on the three dots located on your created Roundtable.
Step 7
To join another attendee or sponsor's Roundtable, click the Join button to save your seat or launch the Roundtable.
Once launched, you can connect and chat with other attendees right from within Social27 Virtual Events Platform.
